

Dear Chaplain,

Thank you for your interest in receiving Lutheran Braille Workers' Christian Braille material, available free of charge. In English Braille, we offer the New International Version of the Bible, and the English Standard Version of the Bible. These Bibles are 37 volumes and take approximately 5 feet of shelf space. These volumes are spiral bound with a hard plastic comb. We also offer tracts and pamphlets that are folded and stapled.

Due to the combs and staples, all material requests must be authorized by the prison Chaplain and not an inmate volunteering as a Chaplain. Once we receive authorization, we will ship the order directly to the Chaplain who will then distribute the materials as they feel appropriate.

To process your order please complete this form and return it to us via mail or email to
